MEMORANDUM FOR THE RECORD

SUBJECT: OPM & DoJ/FBI Letters on S.1271's  
Access to State & Local Criminal  
Records - Comments to OMB

1. On 12 October 1985, I attempted to reach [redacted] Legislative Analyst, Office of Management and Budget (OMB) but was unable to do so. My purpose in calling her was to convey to her the Agency's position on the views letters of the Office of Personnel Management (OPM) and the Department of Justice (DOJ)/Federal Bureau of Investigation (FBI) on the provision in S. 1271 which grants certain federal agencies access to state and local criminal records.

2. Prior to my call, C/LEG/OLL had met with Russ Neely, OMB, to discuss the Agency's views letter on S. 1271. In the course of those discussions, the issues raised by the OPM and FBI letters were discussed and the Agency's views thereon conveyed to OMB. Those views were also conveyed directly to FBI representatives at the monthly Intelligence Community meeting of 9 October 1985.

3. Accordingly, when [redacted] did not return my call, I did not feel it necessary to call her again.
